

WINGS FLIGHT TRAINING *ProTrac* *With Part 141 Option*

The Wings **ProTrac** is designed for those who want to fly professionally for a living. It is an accelerated, intense, and efficient course that will take the student from zero time (no flight experience at all) to either a commercial certificate (allows the pilot to be paid to fly), certified flight instructor - CFI (allows the pilot to teach others to fly), certified flight instructor instrument - CFII (allows the pilot to instruct in the clouds). This program (from zero to instrument instructor) This program is designed to be completed in as few as 12 months.

NOTE: Written and Practical Test Fees will be paid to the testing parties directly by the student, this should be budgeted separately from the **ProTrack** Program. *{These costs will vary}* Please Budget and extra \$1000.00 per rating for these exam fees.

Here is a summary of the timeline and the costs for each certificate:
